CANADIAN DIPLOMACY.—It would appear that the Canadians begin to realize their national position, and have regularly entered the field of international diplomacy. It will have been seen by our despatch, published yesterday, that the Canadian Government have taken up the Galt theory and have taken steps for putting in their claim for compensation in respect of the Fenian invasion. It will also be observed that the Imperial authorities have been prompt to recognize this new element in the international balance-sheet, and that it is to form the subject of investigation before a mixed Commission. It is to be feared the 'commission' will become very much mixed before all this interminable entanglement is cleared up. It would also appear from the despatch, chiefly remarkable for its vagueness, that the Canadian authorities are concerning themselves about the San Juan dispute. Why should they not? Canada, from sea to sea, is very deeply interested in the possession of San Juan, and Canadian Statesmen know well how apt Brother Johnathan is to get the better of John Bull in all these boundary negotiations. The Canadians are naturally anxious that a further sacrifice of territory should not be made, especially as that territory is of so much importance to the Dominion.

## The Funeral of Governor Seymour.

The following was issued yesterday, in a Gazette Extraordinary:—

COLONIAL SECRETARY'S OFFICE,

June 15th, 1869.

The Officer Administering the Government

directs it to be notified that the funeral of His

Excellency FRANKLIN SEYMOUR, Esquire,

late Governor and Commander-in-Chief of the

Colony of British Columbia, will take place

at the Naval Hospital, Esquimalt, at 4

o'clock, p.m., on Wednesday, the 16th inst.

The Procession will move away in slow

time, on the signal of the first of a salute of

17 minute guns, to be fired from one of Her

Majesty's Ships, in Esquimalt Harbour. The

first gun will be the signal for the bells of

the Churches in Victoria to toll, which will

continue while the guns are being fired, and

then cease.

The following will be the

Order of Procession.

A Firing Party.

The Band.

THE CORPSE

ON A GEN CARRIAGE.

The Chief Mourners.

Victoria Fire Brigade,

two and two.

Victoria Rifle Volunteers,

two and two.

Seamen,

two and two.

Naval Officers,

Juniors first—two and two.

Municipal Council,

The Mayor.

Civil Servants,

Juniors first—two and two.

Legislative Council,

two and two.

Executive Council,

two and two.

Officer Administering the Government.

General Public,

two and two.

The Cortege will proceed in slow time to the

Naval Cemetery at Esquimalt, where the Body

will be interred, and a Salute fired over the

grave.

After the interment the Procession will re-

form in similar order and return to the Naval

Hospital, where it will disperse.

By Command,

CHARLES GOOD,

Acting Colonial Secretary.

OBITUARY.—The death of Commander the

Honorable Horace Douglas Lascelles was an-

nounced in this journal yesterday. Deceased

was born in Yorkshire, England, in 1835,

and entered the Navy in 1848. He was

promoted to the rank of Lieutenant in 1855,

and to that of Commander in 1866, during

which period he saw much active service in

India, China, and on the coast of Africa.

Arriving on this station, on H.M.S. Topaze,

in 1861, he was appointed to the Command

of H.M. Gunboat Forward in 1862, and which

command he held until he left in June 1865.

He had been on half-pay, and residing at Es-

quimalt for some time. Deceased was bro-

ther to the present Earl of Harewood. During

his stay in this Colony he took a deep

interest in its affairs, invested large sums in

real estate, having a heavy interest in the

Coal mine near Nanaimo, which takes its

name from his brother, the Earl of Hare-

wood. He was a generous, kind open-hearted

gentleman and, as might be supposed, leaves

many friends in this colony to regret his

untimely end. For several months his health

was declining, and for several weeks previous

to his death it was his intention to return

to his native land. All that the combined

medical skill of the city and of H.M. Navy

could do was done for him. On Monday a

Medical consultation took place, in which

Dr. Comrie, of H.M.S. Sparrowhawk took

part, when his case was pronounced hope-

less.

For New WESTMINSTER.—The Enterprise

sailed from New Westminster yesterday at

11 o'clock a.m. She is expected to return

by two o'clock p.m. to-day so as to convey

parties down to Esquimalt to attend the funeral

of the late Governor.

POLICE COURT.—There were no cases before

this Court yesterday.

THE STANDARD.—An advertisement will be found in another column, comprising the last annual Report of the Standard Life Assurance Company, established in 1825. Life is very insecure, and if a man is disposed to effect an insurance for the benefit of those who may be dependent upon him, one of the chief conditions to be looked for is the perfect reliability of the company. This is a principle which naturally enters largely into every department; but, perhaps, more than to any other, does it apply to the matter of life assurance. A personal of the report in question is well calculated to impress one with the thorough reliability of the company now presented for the confidence and support of the people of British Columbia. In drawing the attention of our readers to this subject, we feel confident that it is only necessary to commend to their careful consideration the published report, which speaks for itself.

CONFEDERATE STATES SUIT.—A very interesting case has been occupying the attention of the Courts at Westminster, England. An action was brought by the United States against Tait in the Court of Queen's Bench. The defendant is an army clothier, and the action was brought to recover the value of a large quantity of clothing delivered to him by the Confederate States. The case was argued in Chambers at great length, in the course of which some points were raised bearing very directly upon the great international question pending. No final conclusion was reached.

MEMORABLE PIE.—Punch has a cartoon by Tenniel, representing an unmistakable Yankee, presenting a large pie, partly covered with a cloth, marked "Claim, \$200,000,000," to the United States representative at St. James's. John Bull's broad back seen in the distance. Says Jonathan (as interpreted by Mr. Sumner): "Wall, Revery! Guess this lot 'll about do for your friend John Bull thar." To which Mr. Revery Johnson replies: "Ha! I've dined with him a good deal lately, and he won't eat thar, I promise you."

HANGING UP TO DRY.—A singular excuse for attempting to commit suicide was made before the Liverpool Magistrates on May 8. A man named Griffiths had been apprehended by a police officer, in the act of hanging himself up to a beam. When remonstrated with, his excuse was that he had got wet and that he was "hanging himself up to dry." The magistrates discharged him.

HOW TO TRANSPORT LIVE FISH.—Fish may be kept alive for ten days or more without water by filling their mouths with crumbs of bread saturated with brandy, and pouring a little brandy into their stomachs, after which, in this torpid state, they may be packed in straw. They become alive again in a few hours after being placed in fresh water.

MELANCHOLY COINCIDENCE.—In April, 1864, His Excellency Governor Seymour arrived at New Westminster, on H.M. Gunboat Forward, Commanded by Capt. Lascelles, R.N., to assume the Governorship of British Columbia. To-day, the mortal remains of Governor Seymour and Capt. Lascelles lie at Esquimalt, awaiting interment.

FROM THE SOUND.—The steamer Polikofsky arrived yesterday afternoon at 2 o'clock from the Sound, with 20 passengers, 17 cattle 39 sheep and a mail. The Polikofsky has been chartered to carry the mails until the Eliza Anderson gets on the route again.

MARINE DESTRUCTION.—Secretary Fish has reported the total value of ships destroyed by Confederate privateers at £2,600,000, or \$13,000,000. The Alabama destroyed 70, the Florida 36, the Shenandoah 36 and the George 9.

THE FUNERAL.—It will be seen by reference to a notice elsewhere the funeral of His Excellency will take place at 4 o'clock p.m. to-day, and that the str. Enterprise will conduct officials and members of the public bodies down to Esquimalt.

FROM NEW WESTMINSTER.—The str. Levina arrived from New Westminster yesterday, bringing down the Hon. H. M. Ball and A. T. Busby, and T. Clavin Esq., to be present at the funeral of the late Governor.

GONE NORTH.—The Queen left Windsor Castle for Balmoral on the 14th May.

AS WE SUSPECTED.—It will be observed by reference to the despatch which reached us at a late hour last night that the telegram regarding the defeat of the Canadian Government was altogether incorrect—that the extreme reverse was the case.

DEPARTURE OF THE TROOP.—On Thursday the 19th the 30th Regiment at Halifax embarked on board the Crocodile, which at once sailed for Waterford, Ireland. The 78th Highlanders were also on board.

PAUPERISM.—There are in England one million of paupers, and the nominal poor rates exceed 11 millions sterling. How very much better to employ the 11 millions in a judicious process of emigration.

EMBEZZLEMENT.—Another case of extensive embezzlement has been reported in London, in which a confidential clerk of Smith, Payne & Smith, has managed to appropriate about £17,000. He has absconded.

FOR QUEEN CHARLOTTE'S ISLAND.—The Hudson Bay Company's steamer Otter, Capt. Lewis, will sail this morning at 4 o'clock for Queen's Charlotte Island the North-west ports.

P. E. ISLAND.—A steamer with the submarine cable to connect the Island with the Mainland, was expected at Charlottetown from Newfoundland on the 25th May.

REFRIG.—Their Royal Highness the Prince and Princess of Wales returned home on the 12th May, after a lengthened and most interesting tour.

HEAVY DEBIT.—The expenditure of Spain is announced at £30,000,000, while the real receipts are thought to not exceed \$17,000,000—less than one-half!

FOR NANAIMO.—The steamer Douglas will sail for Nanaimo and Cowichan this morning at 7 o'clock.

FOR OLYMPIA.—The steamer Polikofsky will sail for Olympia and ports on the Sound to-day at 12 noon.

THE WILSON G. HUNT will sail for the Sound port to-morrow morning at 4 o'clock.

Hon. H. Holbrook's Address to the Indian Chiefs assembled at New Westminster on the Queen's Birthday.

"Indian Chiefs."—In the absence of Governor Seymour, the Municipal Council now before you, bid you welcome to the Royal City of New Westminster, and invite you to celebrate this day, the birthday of Queen Victoria, with them. We have at considerable expense, provided amusements for you consisting of canoe races, foot races, etc., and have also provided a dinner for those who wish to partake of it. We have the best feelings towards the Indians; we expect you will remain good peaceable men, and have the same feeling towards us as we have shown we have towards you.

This day is celebrated in every part of the world over which Victoria reigns; she rules over billions, her navy and army protect this country as well as the rest of her dominions, and you now partake with all her subjects in celebrating her natal day as well as receiving her protection. She is strong to punish the wicked, and kind and just to the good men, who will be protected.

We hope you will enjoy yourselves, and by your good conduct show you are worthy of receiving the protection of the British flag, and being subjects of Queen Victoria.

## Canadian Mail Summary.

Thanks to the "iron horse" we have Canadian files to the 30th ult. The Queen's Birthday was celebrated very generally throughout the Dominion. At Kingston the regulars and volunteers turned out and had a sham fight. At Odessa, Ontario, a loyal little fellow named Peters, had a quantity of gunpowder in his pockets, which caught fire, burning his clothing off and severely injuring the poor little fellow. He was not expected to recover. At the horse-races, at Strathroy, one of the riders was thrown, and instantly killed. Royal Canadian Bank bills were worth 94c to 95c. It was thought the paper would all be redeemed. The Government is said to have caused the suspension of the Bank for the purpose of furthering their own Banking scheme. In the House of Commons on the 25th Sir John A. McDonald gave notice of a bill to make the Queen's Printer a salaried officer with £500 a year, to have control of the Government printing, Gazette &c., and all printing other than confidential to be given out to public competition for a term of five years. The Premier was complemented by the Opposition, upon the scheme. Mr. Dawson's Report on the line of route from Canada to the Red River settlement is published in the Globe. It occupies ten columns. Joe Dion, the celebrated billiard player at Montreal, played a game with Helvin, the champion of Connecticut, beating him easily, 500 points to 233.

The vigilance committee of Bryan, Wyoming Territory, called upon a desperate character, a short time since, and gave him fifteen minutes to leave town. He mounted his mule and said: "Gentlemen, if this d—d mule don't balk, I don't want but fire."

SPECIAL TO THE BRITISH COLUMBIAN.

CANADA.

OTTAWA, June 14.—In the House of Commons, on Saturday, the question of additional subsidy to Nova Scotia was again discussed, and an amendment was offered, setting forth the expediency of grants to the Provinces of Ontario and Quebec. After debate, it was lost, 44 to 88. An amendment was adopted, making an additional subsidy payable in July first instead of at the end of 3 years. The resolution was then concurred in. Evidence was submitted to the committee on the Huron and Ontario ship canal. It establishes the importance and practicality of that work.

HALIFAX, June 14.—The Repeal League convention closed its proceedings on Saturday evening. They decided to make annexation their policy.
